Acquisition of certain properties in the Shimoga Town required for the removal of congestion and formation of a Park

***

Adverting to Government Order No L 4383-5/ M1 44-34-13 dated the 22nd December 1934, sanctioning the acquisition of certain properties including the site belonging to the Old Town Police Station in the Shimoga Town required for the removal of congestion and the formation of a Park I have the honour to state that the Assistant Commissioner in charge of the Shimoga Sub Division who was appointed to perform the functions of a Land Acquisition Officer has passed awards on 31-1-1935 aggregating to Rs 4069-15-0 A Copy of the award statement is herewith enclosed for reference

The President of the Town Muncipal Council has reported in his letter No E 71/34-35 dated the 13th February 1935 (Copy enclosed) that the properties acquired above have all been taken possession of and the unsight-ly buildings demolished The laying out of the Park as per approved plan is also being pushed through

Of the properties acquired, item No 1 is the site belonging to Government where the Town Police Station had been

located and this has now been shifted to the Muncipal Octroi Building near the New Market after effecting necessary improvements to that building for this purpose at a considerable cost to the Muncipality while the rent demanded is only nominal being Rs 10/- per month Though a sum of Rs 235-12-0 has been awarded as compensation towards this site the amount has not been actually credited to Government The President has stated in his letter No E 711/34-35 dated 13-2-1935 that the Park in question is being formed as per instructions of the Devan during his last inspection of the Town and would when completed open out one of the most congested parts of the Town He has further stated that the Muncipal Council has already heavy commitments in respect of the Water supply, and the discharge of the existing loans besides undertaking the important question of drainage and Electrification of the Town and requests that in view of the limited resources of the Muncipality and the amount that has to be expended in laying out a suitable Park with seating facilities and other conveniences the site belonging to Government may be granted to them free of cost

I therefore request you to kindly obtain sanction of Government to the grant of this site to the Shimoga Town Muncipality waiving the recovery of Rs 235-12-0 awarded as compensation

I have the honour to be

Sir,

Your most obedient servant

4) The cost of the site vacated is estimated but not of the building demolished, though presumably, the value of the latter was on the books of the P W D The value of either site or building will not be credited to this Department which is, consequently, hardly interested whether the Municipality is given the site free or not There should be an understanding, however, that the Octroi building now rented to us should be leased more or less permanently so long as Government are willing to pay the rent, as now assessed

Letter No To No L 717/34-35 dated 13-2-1935, from the President, Town Municipal Council, Shimoga, to the Deputy Commissioner, Shimoga District, Shimoga

Subject Acquisition of properties for the formation of a Park in Shimoga Town

---

With reference to Government Order No L 4383-5/Ml 44-34-1 dated 22-12-1934 sanctioning the acquisition of properties for the formation of a Park in Shimoga Town, I have the honour to state that award has been passed by the Land Acquisition Officer in respect of the above properties A sum of Rs 2430-3-0 being the compensation awarded in respect of item No 2 of the award statement owned jointly by Nagappa and Sitharamayya was paid to the Land Acquisition Officer by Muncipal cheque No 13 on 9-2-1935 and the property was also taken possession of on the same day The building is being demolished and the work relating to the lay out is being pushed through

Item No 1 of the award statement is the site of the Old Town Police Station and belongs to Government Item No 3 belongs to the Thataki Mutt, a minor Muzrai Institution which is is understood is now defunct The compensation awarded in respect of these two properties is Rs 235-12-0 and Rs 1023-9-0 respectively

The Park in question is being laid out on the suggestion of the Dewan made during his tour in February 1934 and will when completed open out congestion in one of the ~~business~~ business parts of the Town and provide ~~long~~ lung space The Muncipal Council has heavy commitments in respect of Water supply and the discharge of existing loans Besides, there are several big schemes such as

Drainage and Electrification of the Town still pending

As it is very necessary to complete the laying out of the park in the interests of health of the locality and as the financial position of the Muncipal Council, does not for the reasons stated above, admit of the payment of large amounts in the shape of compensation --I request that the vacant sites relating to the Town Police Station and the Defunct Thataki Mutt may be granted free of compen
